Dear Friends

I would like to introduce you to a program called "Operation Military Kids.

When a parent or parents on active duty or deployed, now or within the past two years, the child's life is turned upside down. There are many of these children in our own backyards and we want to give them our understanding and support.

The Chenango County American Legion Auxiliary is planning an afternoon of food, activities and a network of services, resources for these children and their families. It will be at the American Legion Post 189, 29 Sheldon St., Norwich, NY. Saturday, April 21st from 12:00 to 4:00.

We would like to ask your help in identifying these children and their families. Any help you can offer us would be greatly appreciated.

For any questions or to let us know of these children/families, please call the following:
